DEFENDANTS**

**TO ALL DEFENDANTS AND THEIR ATTORNEYS OF RECORD:**

PLEASE TAKE NOTICE that pursuant to Federal Rule of Civil Procedure 34 and Local Civil Rule 34.1, and in accordance with the Court's rulings at oral argument on December 11, 2019 and December 18, 2019, and in the Order filed on December 13, 2019, as well as the Court's Orders on macro discovery issues filed on November 25, 2019, Plaintiffs propound the following second amended set of requests upon each Retail Pharmacy Defendant. These requests are without prejudice to Plaintiffs' rights to serve other requests consistent with Rules 26 and 34.

Plaintiffs understand and have been advised by the Retail Pharmacy Defendants that the requests that follow represent the Court-Approved Requests for Production to be answered by the Retail Pharmacy Defendants, and are a uniform discovery instrument negotiated by the Retail Pharmacy Defendants at the direction of the Court and follow several rulings by the Court on discovery issues,<sup>1</sup> including but not limited to the Court's ruling on macro discovery following

---

<sup>1</sup> Each request is to be interpreted consistent with the Court's oral rulings at the November 20, 2019 hearing on macro discovery issues; the November 25, 2019 Order on macro discovery issues pertaining to the Manufacturing Defendants (Dkt. 303); the parties' representations as reflected in the record of the December 11, 2019 discovery hearing; and the Court's oral and/or written rulings following the December 11, 2019 discovery hearing, the January 15, 2020 discovery hearing, the January 28, 2020 discovery conference, the February 13, 2020 discovery conference, and the July 6, 2020 macro discovery hearing.

The Retail Pharmacy Defendants have advised, and Plaintiffs understand, that there remain differences in the ability of each Retail Pharmacy Defendant to respond to the requests below, including differences in what data is available, and in the type and extent of data that is available in a reasonably accessible format. Following service of these requests for production, each Retail Pharmacy Defendant shall serve its own individual responses to the requests set forth below, including identification of any specific issues that the Retail Pharmacy Defendant has with the requests. The parties will meet and confer in good faith on the substance of any such responses, to the extent necessary, and to address any deficiencies or Plaintiffs' reasonable questions regarding Retail Pharmacy Defendants' responses.

**DEFINITIONS:**

**“Active Pharmaceutical Ingredient” (“API”)** is defined as any substance that is intended for incorporation into a finished drug product and is intended to furnish pharmacological activity or other direct effect in the diagnosis, cure, mitigation, treatment, or prevention of disease, or to affect the structure or any function of the body. **“Recalled Valsartan” or “Recalled VCDs”** means any drug with valsartan as an active ingredient, as well as all finished drug formulations of valsartan, including any valsartan containing drug, that was subject to a voluntary or mandatory recall, to the extent identifiable from Documents kept by the Retail Pharmacy Defendant(s) in the ordinary course of business.
